

Make a pre-sale to the

PARENTS

to gauge more precisely how many items you will need to order

It is inadvisable to order too much at the beginning: you may not sell everything, and re-orders (same price as the initial order) offer you greater flexibility.

PHOTOCOPY

this sheet and send it to the parents

Change if necessary, for example: for 10 purchased items the 11th is free, aso.

Use your imagination, the presentation of the project can multiply its success!

There are schools that put articles on a clothesline... or other nice ideas!

Insulated shopping bags!

Dear parents,
The children have made drawings which will be printed on

INSULATED SHOPPING BAGS!

The drawing of your child surrounded with those of his/her companions is a beautiful souvenir, an original present for the family and an ideal way to finance other school activities. How much should we order ? Help us to order exactly!

This fundraising will help finance other school activities.
